

## "FLATTERTHECURVE" TOGETHER

Our familiar everyday life with all its freedoms is temporarily gone. With our "lucky butterfly action" we want to bring back a piece of lightness, joy of colours and freedom. Stay at home, be creative and become part of a common work of art. Because only #together we can make it through this time.

Design a butterfly just the way you like it. There are no limits to your creativity. Give your butterfly a name and add your personal message to the world! Once we have received your lucky butterfly, we will let it fly!

Our artists will create with your lucky butterfly a magnificent immersive 360-degree video show with music and effects. All participants will receive free admission to the premiere of the "Glücksfalter-Show" as soon as the Kunstkraftwerk Leipzig has reopened.
